# Rack Top-Mount Trough

## Rack Top-Mount Trough

The Rack Top-Mount Cable Trough mounts on top of CPI racks to create a quick, cost-effective solution to routing cable without using conventional cable runway.

The trough drops into the gap between the top angle bars on the rack. No additional mounting hardware is required. Fits 3" and 6" deep rack channels in 19", 23" and 25" rack widths.

12382 Series

12383 Series

## ORDERING INFORMATION

Part Number	Description	Shipping Weight lb (kg)
