Service Parts for EF-Series EuroFrame® Gen 2 Cabinet System

SERVICE PARTS:

Replace cabinet components, or upgrade new applications using the following service parts. These are available as replacement parts or to add additional versatility to meet application requirements.

Square-Punched Equipment Mounting Rails

Kit includes one pair of 19" EIA square-punched equipment mounting rails and installation hardware.

• Punched with the industry-standard EIA/ECA-310-E Universal hole pattern with 44.45 mm (1.75"H) rack-mount spaces/units (U), which supports most rack-mount equipment
• Each U is marked and numbered on the rails, so you can quickly locate equipment
• Square-punched attachment points allow mounting hardware (cage nuts) with different threads at each U, so you can change mounting hardware to match equipment mounting requirements
• All rails have attachment points for accessory snap-on, plastic cable D-rings (Cable Ring Kits) to create a separate vertical pathway for managing cables
• The 800 mm wide models have cable pass-through ports
• Select Equipment Mounting Rails to match cabinet width

Part Number Cabinet Width		Description	Shipping Weight kg (lb)
600 mm	800 mm		
68325-X00	68326-X00	For 42U Cabinets	12.7 (28)
68325-X01	68326-X01	For 45U Cabinets	13.6 (30)
68325-X02	68326-X02	For 47U Cabinets	13.6 (30)

*X=Color: 7=Black; E=Glacier White. Shipping Weights are for 800 mm part number.*

Side Panels

Includes two half-height interlocking solid side panels to cover one side of the cabinet. The side panel has a single recessed lock located at the top center of the panel.
• Select to match the depth of the cabinet

Part Number Cabinet Height		Description	Shipping Weight kg (lb)
600 mm	800 mm		
68330-X00	68300-X04	For 829 mm (32.6"D) Cabinets	14.9 (33)
68300-X01	68300-X05	For 1029 mm (40.5"D) Cabinets	17.4 (38)
68300-X03	68300-X07	For 1229 mm (48.4"D) Cabinets	20.0 (44)

X=Color: 7=Black; E=Glacier White.

Transport Caster Kit

Includes four transport casters for moving an empty cabinet. One Transport Caster Kit is included with each EF-Series EuroFrame Gen 2 Cabinet.

Part Number	Description	Shipping Weight kg (lb)
68313-E01	Transport Caster Kit, Glacier White	3.3 (7)
