14" RAISED FLOOR ENCLOSURE FOR ACTIVE COMPONENTS

~Λ *American Access Technologies, Inc.*™
Telecommunication Enclosures

The A1411-RF-HR is a "telecommunications enclosure" suitable for use in air handling spaces. Support 5U of 19" patch panels and 2U of active components under 14" deep raised floors. A1411-RF-HR may be supported from the raised floor pedestals with included brackets and uses the 2' x 2' raised floor tile as a lid.

A1411-RF-HR has two edge-protected cable access ports that include fire rated foam sealing kits. The enclosure includes a removable tray that provides 5U of mounting space divided into 2U-1U-2U spaces for patch panels and 2U of mounting space for active components measuring up to 15" deep. The enclosure includes a junction box for a single duplex power outlet and a filtered fan to remove heat from the enclosure.

■ **Cable Entry/Exit**
  • (2) 3" wide x 6" high edge-protected cable access ports
  • Includes approved fire-rated foam sealing kits

■ **Equipment Support**
  • Removable tray-mounted assembly for 19" rack-mount patch panels and active equipment
  • 5U divided 2U-1U-2U for patch panels/cable managers, 1" of usable depth.
  • 2U for active components up to 15" deep
  • Includes a junction box with a position for a single duplex outlet, and a two-bolt ground
  • Ventilation fan and filters, 9 CFM, includes 115V AC/DC Transformer.

■ **Materials**
  • Enclosure: .060" thick sheet aluminum, riveted construction
  • Foam Sealing Kit: Polychloroprene latex compound
  • Installation Brackets: steel

■ **Packaging**
  • 1 Enclosure/Carton

■ **Approvals**
  • UL Listed - Communications Circuit Accessory
  • UL File Number/E185147 (UL 1863; UL 50; UL 2043)

Part Number	Description	Shipping Weight
A1411-RF-HR	7U Enclosure for Active Components and 14" Deep Floor	30 lb

■ **Specifications**
  • Enclosure: 24" wide x 24" long x 12-1/2" deep
  • Weight: 30 lb

■ **Installation**
  • Includes mounting brackets for 1-1/2" rectangular or round raised floor pedestals
  • Use #12-24 equipment mounting screws to attach patch panels (P/N 40605-001).
  • Use Saf-T-Grip Cable Management Straps to manage cables (P/N 02006-201).
